Division of Survey and Certification Operations

CERTIFICATION OF MEDICARE PROVIDERS – PROVIDER QUALITY ASSURANCE – COMPLAINTS ABOUT PROVIDERS

The Division of Survey and Certification Operations is the local component of the Consortium for Quality Improvement and Survey and Certification Operations (CQISCO) with overall responsibility for provider quality assurance. CQISCO combines CMS' quality improvement and quality assurance activities under one umbrella. Survey and Certification responsibilities include:

- Oversight of State agencies responsible for surveys of Medicare providers
- Certification of new providers to participate as Medicare providers
- Assurance of continuity of care in disasters
- Investigation of complaints against providers
- Recertification of providers when ownership changes

(Please note that the Seattle Survey and Certification Branch is part of a multi-region Division of Survey and Certification, managed from our regional office in San Francisco. The representatives from Seattle should be able to assist you. However, you may also contact the Associate Regional Administrator).

Associate Regional Administrator, Steven Chickering
(San Francisco)

Chief Medical Officer

PHYSICIAN LIAISON – PHYSICIAN QUALITY REPORTING INITIATIVE (PQRI) – VALUE DRIVEN HEALTH CARE (VDHC) INITIATIVES

The Chief Medical Officer (CMO) is also a part of the Consortium for Quality Improvement and Survey & Certification Operations (CQISCO). CQISCO combines CMS' quality improvement and quality assurance activities under one umbrella and the CMO performs functions under both major responsibilities of the Consortium. The responsibilities of the CMO include:

- Senior clinical representative in each region
- Liaison between CMS and the physician community
- Design and promotion of CMS initiatives requiring significant involvement by the physician community
- Provision physician perspective and leadership on Secretarial initiatives, such as VDHC
- Promotion of participation by physicians in CMS quality initiatives, such as PQRI and the Electronic Health Record demonstration project
